Slit on the side

hen Steve came home with his cock still tasting of pussy I insisted he tell me everything. And then get the girl to come round.

She was sweet, a bit insecure, and very horny. I pulled up her skirt, then grabbed the back of her cotton knickers. Her lips sprung out on either side, as I pulled them tight into her slit. She was shaved and

could lick it off them. She was a bit fuckstruck now, moaning

at him to get hard so she could take his cock. I said it was my turn next, but in the meantime I took care of her. I got a dildo and vibrator, sliding the shaft up her then rubbing the vibe tip over her clit. It had her bucking away in seconds, moaning as her tight cunt wrenched the shaft around in my hands.

It wasn't long before Steve was ready again, and this time he spread my arse and thrust into my pussy, shunting me and the dildo forward as I fucked Kate to one last cum.

Now it was my turn for fun. I got Steve to finish off with me on my back, sucking on the dildo. Then Kate pulled it away from my mouth, and settled her snatch over my face.

Soon his spunk was fountaining out in my snatch as his bit on the side came in my mouth. Jen, Lincs.

ast night I went to my favourite club: the atmosphere is always friendly with all types of people, straight, gay and bi.

I started chatting with an attractive couple, Chris and Sarah. Sarah explained that she was bisexual but Chris was straight and they often came to the club to meet like-

I in turn had one hand between Sarah's thighs and the other hand was rubbing Chris's bulge. Chris was very good with his hands and when he inserted two fingers

Sarah pulled me on top of her. I gently rubbed her nipples and she whispered in my ear to go down on her. I needed no encouragement as I ran my tongue slowly down her lovely tanned body.

I gently caressed Sarah's clit and could tell she was getting very excited. Chris worked expertly on me and very soon I had an electrifying orgasm, shuddering and grinding my hips onto his hand. I

They suggested that we all go back to their place for a few more drinks and some fun - I was up for it.

At their place we opened a nice bottle of wine and put on some smoothy music. Sarah and I started to dance together, our bodies really close. We kissed passionately, Sarah's hands were all over me and she started to

I started to circle her clitoris with my tongue while easing a couple of fingers into her hole. Her hips gyrated with the movement of my mouth and I could feel my juices dribbling down my legs. I knew that my ass was in the air and that my short skirt allowed Chris a

is vanilla, argues Daisy Blade t's assumed that because I'm a sexy, submissive, exhibitionist minx that writes about fucking, porn and the biggest, baddest adult toys on the market that my sex life is always OTT. While this is true for 70 percent of the time, there is also a very soft, sensual side to me. I enjoy being vanilla once in a while. By 'vanilla' I mean no restraints. no spanking, no role play or porn and no sticking things up Mr B's

bottom. Scaling sex back to me, him, the bed, lots of eye-gazing and fucking in missionary, can be the most satisfying after months of experimenting with more outlandish sexual behaviours.

Even though Fifty Shades came out two years ago, it's still fetish this, BDSM that and headlines tout that in order to be a good sex partner you need to be having wayout there sex all of the time. As a result, vanilla sex has been getting a pretty poor rap where it's assumed that if you're not at least using a pair of fluffy handcuffs in your play then it must mean your sex life is

one shade of beige.

I asked my girlfriends at our Wine Wednesday catch-up to recall the last time time they didn't do something crazy in the sack. None of them could as they tried to justify light spankings,

torn underwear used as gags and donning a school girl outfit as "still pretty vanilla". Jury is still out on that one.

I'm not entirely sure what pushed Mr B and I over the edge. Perhaps it was the hedonistic night we spent at our favourite sex hotel? Or the thrilling fucks in public places (both stories for another time) that led us back to pining for our own bed and toning our antics down. What follows sounds like something out of a cheesy Mills & Boon novel (sorry!), but it was the best sex we'd had in weeks.

As with all good vanilla sex it started with a kiss. I could tell there was something different, gentler,

about Mr B. It was the way he held my waist and pulled me towards him for a deep, lingering pash.

Sometimes the best sex flavour

Slowly, we stripped each other. It's amazing how slowing the tempo after weeks of quickies changes your perspective. You notice areas they like to have touched and caressed that you don't get a chance to pay attention to when your knickers are ripped off and he stuffs himself deep inside you.

Laving me on the bed, Mr B allowed his hands to skim over and cup my tits. Pulling him in for another kiss, I slipped my tongue into his mouth while his finger tips trailed down my stomach towards my snatch.

Curling my fingers in his hair, I started on my own path over his body: tracing lightly down his neck, over his shoulders, chest and circling his nipples before following a line down to his hip. I heard his breath catch. He knew where my hands were going next. Giving him what he wanted, my dainty, warm fingers tentatively ran over his cock. He stiffened instantly.

Fingering me, he coaxed my juices out to lubricate my cunt, while I stroked his length. In one swift movement he was on top of me, the greed evident in my eyes, because he knew exactly

what I wanted: his rock, hard dick

deep inside me so that I could cum all over it.

He slid his cock all the way in. Having him fill me to the hilt after that slow, sensual build-up was exactly what my pussy needed. All he had to do was lie on top of me: the weight of him, his hot breath on my neck and another lingering kiss was enough to send me over the edge. His dick barely moved inside my pussy, but I ground against him and within seconds had covered his length in my juices. All that just from a kiss.

I'm pretty sure that a normal, debauched service will be resumed before long!

Sex and chocolate: two of life's greatest pleasures and both can be found in Birmingham. Home to Cadbury's and a whole host of super-hot sex parties, Birmingham does indulgence and pleasure on an industrial level! Web cam porn star, Kaz B, shows us her ends...

WHERE TO PLAY

If swinging is your scene, then you'll be spoilt for choice in Birmingham.
"Brummies are open, friendly people that like to share, especially when it comes to sex," explains Kaz, so it's hardly surprising there are so many swing clubs in the city.

Each club has its own style and many boast unique features for members to enjoy. If you've got the stamina to play every night of the week then you'll have the gratification of somewhere new each time.

If wet swing clubs are your thing then check out Chameleons in Darlaston, just outside the city centre. This luxurious club

"XTASIA'S DOGGING AREA COMES WITH CAR BONNETS TO FUCK ON!"

has saunas, hot tubs and communal areas to explore with new friends. On a larger scale there's Xtasia, which is one of the UK's biggest swinging venues, holding up to 600 potential new play mates. That's one hell of an orgy on a busy night! Xtasia has everything you could think of to satisfy your swinging fantasies: a grope box, dungeon, a dogging area (complete with car bonnets to fuck on) and a play room with a live feed up to the bar so you can watch all the action with beer in one hand and cock in the other.

Xtasia

the party and play with

them. That evening I was spit roasted and had my first gang bang experience. I've never had so many orgasms in my life!"

Whichever club you pick, Kaz reckons you won't find a collection of better hosted adult parties: "They're very friendly and laid back, there are no expectations. Everyone is really respectful and clean so if you're new to swinging then it's the perfect environment for trying something new!"

THE FLICKS

Who doesn't enjoy going to see a good movie, but we're not sure many of the audience will be paying attention to the plot lines of the films shown at the Taboo Adult Cinema

"I like Angels and Sinners on Constitution Hill," confesses Kaz. "When I was last there I and bought an air hostess costume,

A summer of football awaits. And Laura is awaiting a ball game of her own. No commentary by Lawro

i there, Escort readers! I'm Lucy, I'm 23, and I like to think I'm the sort of girl who stands out in a crowd. Well, hopefully I stand out in this magazine, even amongst all the delicious looking boobs, bums and cracks.

But if by the time you've read my story, there's anyone else in this magazine you'd rather fuck than me and my sweet little bald pussy, I'll hold up my hands. You see, it's important that you want to fuck me. I love being the centre of attention, of your hands, your eyes and most importantly your cocks! If there's one time I stood out more than normal it was when I was out clubbing the other night with my mates – not a pulling party, but I guess I've always got half an eye out for fuckable talent.

Anyway, I noticed this bloke across the dancefloor – drop-dead fit and surrounded by a gaggle of girls, but no serious competition if he knew what was good for him! I pointed him out to one of my mates, and she told me it was "Kian" the latest signing for the local football club. They're not big league, and I can't name real names, but it explained all the WAG-wannabe outfits, I suppose!

I played it cool, standing a bit away

to his place.

He took the hint and cabbed us there – a big, posh city-centre penthouse flat. We split a bottle of wine and chatted, and then he made his move. Without being up himself, he was confident enough to know I wouldn't put up a fight. He kissed

walked in behind me, saying he couldn't wait.

I watched in the mirror as he nuzzled my hair and cupped my boobs through my bra – and felt his bulging crotch up against my lower back!

He really couldn't wait - he did me

from where they were, looking like I was above the star-struck thing. As I'd hoped, he spotted me and our eyes met. Then I walked off, and he followed me.

The fans – male and female – just wouldn't leave him alone. He was respectful and friendly, but told me he wished they'd back off so he could focus on me. I told him we could get to know each other much better if we went back

me and, once I was kissing him back, his hands were stroking my body through my clothes, getting me all worked up.

When we came up for air, I said I was off to the bathroom. I was wearing tight jeans and a corset top, bastards to get out of, so I thought I'd save Kian the bother. I peeled down to my sexy undies, then, as I was checking in the mirror that I looked OK, the door opened and he

right there in the bathroom. He got his shirt off – serious pecs – but I had my sights set lower. Then, like he'd read my mind, he asked me was I gonna suck his cock. Dropping to my knees, I expertly unzipped him, resting his stiff prick in my cleavage as I got his trousers off. Then I started to wank him.

I'm one of those girls who loves giving head. I licked all over his helmet, then

sucked him into my mouth, whipping and swirling my tongue against it. "That's it, darlin', suck it in deep..." he groaned. I glanced up, saw the smirk on his face, knew he'd said that to wind me up. So I just deep-throated him, no warning, showing him who was really in charge!

Not that I minded when he took control. Next thing – still fucking my mouth – he lowered himself down onto the bathroom floor, telling me to swivel around and sit on his face. He licked me through my knickers, moulding them to my folds, as my juices saturated the gusset. Then he pulled them to one side and started to rub me. His fingers probed my snatch, testing it, then moved up onto my clit, making me moan as his tongue sank in my pussy too.

All the while I was chomping away on

his dick, sucking hard and rubbing his balls against my face whenever I took him in deep. He wasn't the type who'd have to try too hard, but I started wondering if they did some sort of pussy-sucking masterclass at football academy! Kian was reaming every inch of my slit, and

or my mate Eloise, the ultimate turn-on is to see a guy jizz his load. It's not like I never get to cum inside her, but she loves it when I pull out of her cunt,

stick my sodden length in between her tits then spunk all over them, rubbing my shaft in it as I wring out every drop.

We've only ever been friends who fuck, but we kept it going even when I moved to uni.

One weekend I visited home and took her a present, a hardcore porn DVD a mate had copied for me. It had a gangbang scene with loads of cum, and I knew she'd love it.

She said it was like her fantasies, but she didn't have the guts to do anything about it. "I'm already the town slag just because I had a threesome on holiday," she grinned. I said if she was serious, I'd set up something for her with "Porno Phil", the mate who'd done me the DVD, and our equally pervy friend Gethin.

She was up for it and so

were they, but she surprised me on the night. She stripped down to slutty pale-pink knickers – you could see her pussy clearly through them.

Then she told the boys only I was going to get to actually fuck her – and if they didn't like it, they could go now. Well, it wasn't like

SHE FELT HERSELF UP ON THE RUG WHILE ALL THREE OF US WANKED OVER HER

either of them had anything better lined up, and only her cunt was off limits.

Geth's a little stocky short-arse, but he's got an impressive dick on him. Eloise's eyes lit up – I wondered would she forget her rule, but she just wet it with spit before sticking it in her mouth. Her lips stretched to take it and, as her head bobbed, she started wanking me and Phil, one in each hand.

I think Geth came quicker

than she thought, but she quickly slid him out and let him blow the rest on her boobs. As it dripped down, she took Phil into her mouth, pumping in and out a bit more controlled.

He wasn't cumming any time soon, so when I got in behind her, she didn't mind. I felt so fucking smug and horny, knowing this oozing snatch was all mine to fuck, so I decided not to rush it.

I gave her a bit of a rub first, playing my cock over the gusset, pressing it over her juicy shaved snatch, watching the wetness spread. Then I pulled them down around

her thighs.

As my prick penetrated her - her cunt felt tighter than I'd ever known it - she started

> to suck harder on Phil. And once she was on a mission, he just had to deal with it, groaning and straining until she let him give her a facial.

I didn't spoil things by cumming in her. I pulled out and piped a line of cock cream down along her crack and slit. Then she just stayed there, on all fours, as it liquified and seeped into her holes.

She wriggled out of her knickers and threw them to the boys, making sure we got hard again pretty quick. Then she laid down on a rug in the middle of the room, feeling herself up while all three of us wanked over her.

She kept moaning, "Come on, boys... All at once..." which we didn't manage, but she got to enjoy each of our loads individually!

I cracked open a beer for the four of us. Eloise iust wanted to play with herself while the spunk was fresh, but she poured her cold drink over her

naked body, so we could watch it fizz and froth as it hit

the salty goo.

I saw her get restless, knew she wanted a length inside her now, so I told the boys I was turfing them out. They both got a goodbye snog and then I got in between Eloise's legs and rubbed myself up against her spunk and beer-soaked body.

She came immediately my prick ploughed up her cunt, but I kept fucking her, bringing her to orgasm after orgasm before losing my mess deep in her cunt.

Stephen, Dorset.

As she started to play with her clit, I felt her arse tighten and relax. And then she caught my swinging balls and worked them up against her labia, her unstuffed cunt

One Saturday night, a big bunch of people came back to the halls of residence after the pub. I copped off with this girl – I got as far as sucking her tits and fingering her fanny, before she went off with the bloke she actually

was actually spunk. She'd obviously just taken a length, maybe off more than one bloke that night.

I love to fuck girls from behind, and so I had her bend and

fancied! Nice...

She'd left me with a throbbing hard-on so, as I had mates in my room, I went into the bathroom and started polishing off. Then I heard noises from the shower - the curtain was pulled shut. When I looked, there was a girl squatting right down, skirt up around her waist, knickers pulled sideways, using this can of body-spray as a dildo! All I could was stare at how wet she was, how her cunt was stretched tight around the metal tube.

grab her ankles. I stuck my cock in and her pussy felt a bit slack at first, stretched by the can, but it soon tightened back up around my girth.

This already felt too good to be true, but then she grabbed her own arse cheeks and pulled them apart so I was fucking her deeper. Then she moaned to me to do her up the bum.

I pulled out of her, my dick feeling red hot, and watched tight but this was something else. I moaned with the effort of pushing into her, but once my helmet was past the opening, the rest of my shaft slipped in, smooth and easy. Then I stood there as she ground back against me, only thrusting when she told me to give it to her harder.

I went to get us a couple of beers, got sidetracked by a mate, and when I got back to the bathroom, she was gone. Now I know she's called Penny and she's my regular fuck – but not my only one! Mark, Hull.

reach-around frig, that was it. My knees gave way and I had to hang on to the bath to stay upright until I felt his hot jizz spurt out and into my arsehole.

It hurt at first, then this warm, buzzy feeling started spreading through me.

I felt like I was floating, then my pussy twinged as

"Dirty... Little... Bitch!" he kept saying with each knuckle-deep push, his other hand playing with my clit. Then he pulled

ly boss is so stupid I had to hand my pussy to him on a plate! I had to practically show him what to do! Or so I thought!

mmmnnn

"OK, if you're really asking for it..." he

said.

He shut the office door and pulled a desk in front of it. I groaned, thinking it was going to be a quick fumble and squirt, he seemed so nervous. Then he walked

over and gave me such a big, stinging slap around the arse, I velped out loud.

Shut the fuck up and take it," he snapped. He smacked me again on the other cheek, then on the

first and so on.

Andrew ran his fingers over my thong. "Oi, you're not meant to enjoy it," he said, feeling how wet was.

"Fuck you..." I told him. He vanked my knickers to one side, then began probing my snatch. "Dirty ittle bitch," he snapped, making me suck his fingers. He was good, had me on the verge of cumming within about half a minute.

them back out again.

I moaned at him not to stop, and he said, "Don't want any cock, then?"

"Yes," I moaned. He made me say yes please, and yes please, sir and then to beg him for it. Finally he said, "OK... Up the arse."

Now I got a bit tense - I'd never really liked anal, but I wasn't going to back down. He went down on me and drooled all over my arsehole, then he put his dick up to it

Big Break

y best mate Mick was playing me at pool in my den when my missus. Danni, got home and came down for a look.

I handed her my cue to take

wrapped round my best mate's back as they necked, got me stiff, but I just kept watching. Her big, pert tits would have any bloke jizzing like a bastard.

I felt my bell-end throb

me on a good day, so I knew she'd nail it. She's always bantered with Mick and she told him if she missed her next shot, she'd let him fuck her. She didn't even aim to sink it!

Seeing my missus perched on that table, her long legs

SHE GRABBED A MEATY HANDFUL OF MY MATE

him peel off her tight denims. She had a little G-string on under it, and he yanked it

up her slit, so her shaven labia popped out each side. Then he sawed it against her clit, making her gasp and moan as he sucked and fingered her nipples.

I waited just long enough to see her eyes light up as he dropped his pants. Then as she grabbed herself a meaty handful of his prick, I started wanking mine

She opened her pussy right up and Mick yanked her tiny knickers sideways and thrust in.

She just clung to him, humping her crotch hard up against his. Inside her pussy she'd be pumping hard too, sucking

and holding him in. He had the right tool for the job but not the pace - he only lasted a few minutes before I saw him go tense, then blast his beans right up her cunt.

I stepped up to the mark as Danni opened her mouth so he could feed her a length,

He fucked me long and slow, and I've never cum more or harder in my life. I was moaning so loud he kept having to tell me to shut up, finally handing me a little leather diary and telling me to bite down on the spine of it. Just as I seemed to be getting one long, continuous orgasm, I felt a wet burst deep in my arse as Andrew came too.

He ordered me to stay in the office and think about my behaviour while he went out for lunch. And I did, spunk and juices soaking my chair as I did his stupid stationery

Then, halfway through the afternoon, he got me to crawl under his desk and suck his cock - anybody could have walked in on us, but he

HE GOT ME TO SUCK HIM UNDER THE DESK

and pushed in, really gently rubbing my clit as he went which made it easier for me to take him. I started to realise I didn't dislike anal, I'd just never done it with the right bloke...

seemed to get off on that risk.

He's taught me the value of hard work and good behaviour - with a good hard length as both my punishment and my reward! Hannah, Surrey.

while I carried on fucking away.

I brought her off - I know which buttons to push then spurted up her snatch, which was already running

a river. Then I got busy with my hands - three fingers up her sloppy cunt, moving like pistons, and another two lubed with spunk and shoved up her arse.

The more I frigged her, the less mercy Mick's cock got. She'd angled herself so she could take him right in - the deepest he'd ever been

She orgasmed from what I did with my fingers, but once Mick left she said she wanted my cock up her arse. And, as I slid it in and out of her tightest hole, she promised that, no matter who got to do her in the pussy, she'd never let another dick into her bum. Clyde, Somerset.

cock robbin'

ve never been a one-man woman - I need more cock than that! Good thing there's plenty to be found on dating and contact sites.

I recently hooked up with Bill and Craig. The thought of two dicks at my service had

got me nicely wet as I took it in turns to suck their cocks.

The urge to get one in my snatch soon became too strong to ignore. I spat Bill's out, slid up his body and asked him did he want to fuck. He told me yes, but he wanted to see me suck Craig's prick, too.

I started to toss Craig, stroking his prick against the soft skin of my boobs and face, buffing the head of it to a shine with his

stuffed, straining mouth.

Bill did me from behind, reaching under me to grope my tits, teasing my nipples to make me an even tighter suck and fuck, as my pussy tensed and my mouth worked harder.

This much cock at once and I was in my own dream world. I was already getting off, and it just got more

own oozings. Then I began gobbling away, relishing the taste and the feel of it up against my tongue.

I wasn't totally focused on

At last, I felt Craig's helmet

it, though - I was anticipating the first thrust in of Bill's cock. He was teasing me like anything, trailing it along my crack, till I wanted to scream and beg him to screw me.

Suddenly, I felt it touch up to my hole and I got goosebumps. As he pushed in, I moaned around the helmet packed into my

swell up in my mouth and, as his spunk started to pump out, I aimed it at my face, icing it with his hot jizz.

One look back at Bill and he didn't hold back any more, fucking me like a rabbit, big cock making me cum just before his hot load flooded my snatch.
